

Swimmer Registration Completed by Parents

Registration Steps:

****VAC** will register your swimmer with Swim Canada (SNC).

**** Once registered, families will receive an email with instructions to either create a new account or sign in to an existing one in the REMS (Sportlomo) registration system. After signing in, the following steps must be completed to finalize your registration:**

Final Step – Complete Your Swimmer Registration in REMS

To finalize your swimmer's registration with Vaughan Aquatic Club, all of the following mandatory steps must be completed in the Registration and Event Management System (REMS):

1. The parent/guardian (or swimmer, where applicable) has confirmed all primary contact and swimmer information.
2. The **Acknowledgement and Assumption of Risk Form** has been electronically signed.
3. The swimmer/parent/guardian has agreed to comply with the **Swimming Canada Code of Conduct** and all other applicable Swimming Canada policies.
4. A preference regarding the receipt of commercial emails has been selected, as required under the **Personal Information Protection and Electronic Documents Act (PIPEDA)**.
5. The **Swim Ontario Code of Conduct** and **Rowan's Law (Concussion Awareness)** acknowledgements have been completed for the swimmer's registration category.

Once all of the above requirements have been completed, the swimmer's registration status in REMS will change to **Active**, indicated by a check mark in the **Active** column on the **View Registrants** page.

Please note: Swimmers are not eligible to be entered into swim meets until their registration is fully completed and their REMS status is **Active**.
